

MTS SERIES

MTS Series is solvent base metallic printing ink for natural and synthetic leather.

Typical properties

Appearance	:	Highly viscous colored paste
Scratch hardness	:	Good
Storage stability	:	At least 180 days
Storage	:	Should be kept in tightly closed container at room temperature, avoid exposure to direct sunlight.

Salient features

MTS Series is based on high quality metallic pigment and specialty resins.

MTS Series has good printing properties when printed full or half tone.

MTS Series gives perfect adhesion to the surface with low solvent retention.

MTS Series is free from any additives or fillers.

Greasy / oily surface of the insole should be wiped properly with solvent Butyl Acetate before applying **MTS Series** to get optimum result.

MTS Series can be diluted with our Eco Diluent-45 as per required viscosity
